Frequently Asked Questions (FAQ)

Create Your Sapphire Account

3. Scroll down and select the type of account you are applying for, either a Parent Account or Student Account.
4. Next accept the Acceptable Use Policy by selecting **Yes** & then **Continue**.

Log On button.

Your Community Web Portal User Account will be set up as soon as we receive your Community Web Portal Registration and are able to verify its contents.

You will receive an email when your Community Web Portal User Account is ready for use. Be sure to check your spam filter if necessary and allow 48 business hours for receipt of your email.

Select the type of account you are applying for:

Parent Account
Parent Account
Student Account

I read and agree to the above policies.

Yes
No

Continue>

A screenshot of a web form for creating a Sapphire Account. The form is enclosed in a black border. At the top, there is a 'Log On button.' label. Below it, two paragraphs of text explain that the account will be set up after registration and that an email will be sent. The main part of the form asks the user to 'Select the type of account you are applying for:' and provides a dropdown menu with three options: 'Parent Account', 'Parent Account', and 'Student Account'. A red arrow points to the dropdown menu. To the right of the dropdown, there is a text label 'I read and agree to the above policies.' followed by two radio buttons: 'Yes' and 'No'. The 'No' radio button is selected, and a red arrow points to it. At the bottom right, there is a 'Continue>' button.

Create Your Sapphire Account

5. Fill in the application and select **Save Form and Continue.**

- Please note to gain access to the student's information through Sapphire, this form must be filled out correctly and precisely.

To gain access to your child's information through the Sapphire Community Web Portal, this form must be filled out correctly and precisely, and then submitted electronically.
